

# Learning The Arts: What you will see in the classroom

- Everyone participating in a range of artistic and creative experiences
- Students sharing their outcomes across the arts in a variety of formal and informal ways to a variety of audiences
- Creative risks being taken
- Encouragement of reflective thought and action
- Making connections with prior learning
- Integration where appropriate across all curriculum areas
- Promote student engagement and ownership through the learning process
- Mistakes and failures are all part of learning
- Students working in flexible groups, pairs or as individuals.
- Vocabulary being used that allows students to communicate ideas in a creative way
- Students experimenting with a wide range of creative art media.
- Questions being asked by the students and the teacher.
- Individual needs of the students being met.
- Specific art conventions being taught
- Students working collaboratively and cooperatively where appropriate.
- Developing critical evaluative skills of own work and others
